Welcome to Basil & Mint

Hello (Xin Chào!)

We are Phong & Thủy - a young couple born and raised in Vietnam. We both worked for South Pacific Cruise Liner, which allowed us to travel to many different places across South East Asia. That we had tried a variety of Asian foods, as well as local Aussie foods, has influenced the flavours we use and make at Basil and Mint.

In 2009, we moved to Perth to start our new journey so that Phong (Peter) could continue his studies in Hospitality and Tourism Management at ECU. His ambition is to produce high quality authentic Vietnamese cuisines in order to promote tourism between Australia and Vietnam.

As a family - owned restaurant, we host and serve both our staff and customers with a welcoming dining experience, delicious food, and great service, which is part of our culture.

If you want to know more about Vietnamese cuisines, culture and language, or if you are planning your travel to Vietnam, please let our friendly staff know. We would be happy to assist!

Thank you!

Peter and Kylie
